Please complete the following form to **register an interest** in attending our extra-curricular clubs. Please discuss with your child and select as many as they like.

We will then sort through applications and allocate as soon as possible, with waiting lists operated for oversubscribed clubs.

Please note completion of this form is **NOT confirmation** of a club space – please await a Parent Portal notification for permission slips to be completed.

Spaces will be reallocated to waiting list members after two instances of non-attendance. Finally, I would like to extend my gratitude to all staff members giving up their own time to take a club, thank you.
