

St. Vincent's Primary School

2025/26 UPDATE – Mass Dates

At St. Vincent's Primary, we are committed to living out our Catholic values in all aspects of school life. Faith is central to our identity as a denominational school, guiding our relationships, our learning, and our care for one another. We gather as a community to celebrate Mass monthly and on all Holy Days of Obligation, and we pray together daily, nurturing our children's spiritual growth.

We assume that all pupils, as members of a Catholic school, will participate in these celebrations, however, parents who wish for their child to be withdrawn from whole-school religious observance, such as Mass, should contact us directly to discuss alternative arrangements. Rest assured, children are also welcome to attend our whole school masses but opt out of participation (praying, etc.).

Below, you will find a list of dates for Mass attendance for this session, we are working to confirm our lead classes for each mass and will update you in due course.

Please note parents/carers are always welcome to join us in celebrating Mass.
